FBIS COLLECTION REQUIREMENT

25X1

SUBJECT: References to Specific U.S. Intelligence Personnel, Operations,
and/or Organizations

RESCISSION: FBIS Collection Requirement dated 12 October 1967,
Same Subject

25X1

1. This collection requirement revalidates a long-standing requirement for FBIS reporting containing references to specific U.S. intelligence personnel, operations, and/or organizations.

2. Material responsive to this requirement should be handled as follows:

a. Field Bureaus: Material should be flagged "copy to Liaison" in accordance with Lateral Service Espionage 1.

b. Headquarters Components: One advance copy of relevant items selected for processing should be requested from JPRS and sent to LRB for forwarding to consumer. Items responsive to this requirement but not selected for processing should also be sent to LRB with a brief synopsis attached to foreign language material.
